Local Heroes

Residents who live in the neighbourhood and are making a positive impact

I take pride in promoting active, healthy lifestyles for older adults. Staying engaged and connected is essential, and I'm truly grateful for the support the City has provided to help seniors remain active, involved, and thriving.

Basakha Singh

James Potter Seniors Club - President

I'm grateful to Councillor Santos and City staff for listening to our feedback and working with us to improve Francis H Taylor Park. It's great to see collaboration making a difference, it inspires me to get involved and have a voice in the decisions shaping our city.

Jacob Lamonaca

Youth Community Advocate

Art has the power to bring people together, spark conversations, and build stronger communities. As a young creator, I believe in using my work to inspire artists and non-artists alike for change and to connect through creativity.

Top Issues

We monitor service requests in the neighbourhood and proactively address concerns

My team and I work to address issues immediately. I also work with Council to enact longer term solutions, including the Residential Rental Licensing (RRL) program, enhanced bylaw enforcement operations and 360-degree cameras and licence plate recognition technology at problematic intersections.

Councillor Santos serves on the board of the Toronto Region Conservation Authority, prioritizing our environment and projects like Riverwalk. As a Director on the Federation of Canadian Municipalities Board, she advocates for housing affordability, infrastructure, and a fair share of funding from the federal government.

Public Safety

Improving public safety is a top priority for me. I supported the Peel Police budget to hire a historic 300 new officers this year. I also conducted a text survey, and here's what residents shared as top issues:

Safer Drivers Petition

Communities are safer when we all do our part and improve our personal safety. I organized a crime prevention workshop with Peel Police. Sign up for the upcoming online crime prevention education series based on the live workshop. Please also sign our Safer Drivers = Safer Roads petition.

Residential Rental Licensing

The Residential Rental Licensing (RRL) Program cracks down on slum landlords and prioritizes safe housing and quality of life. 3,227 units have been licensed as of February 2025. Escalating fines are now in place for repeat offenders for illegal parking, garbage, overgrown grass, and snow removal. By-law Enforcement is now proactively enforcing through unannounced blitzes.

By-law Enforcement

Effective bylaw enforcement is necessary to successfully address issues related to RRL and illegal rentals. As a result of resident feedback, I championed an operational review of by-law enforcement which resulted in:

- Hiring 40 additional officers
- Proactive enforcement in hot-spots
- Prioritization of property standards
- Escalating fines for repeat offenders
- Community standards blitzes
- Improved standard operating procedures

Community Services

We are increasing investments in community services:

- Safety investments to prevent encampments
- Hiring 24 additional firefighters
- Increasing recreation programs by 5%
- Free recreation access for Seniors 65+ years old

Cleaning Up Neighbourhoods

Properties with overflowing and improperly stored garbage will now face escalated fines starting at \$250 for a first offence, \$500 for a second offence, and \$750 for any subsequent offences.

Community Note

Animal feces that are left uncleamed in parks and other areas pose a risk to your health. Young children are especially susceptible. City's Parklands By-Law 161-83 requires all animal owners to clean animal waste from parkland and boulevards.
